## Decommission of the Instrument Landing System

### Sarnia, ON

NAV CANADA, the country's provider of civil air navigation services, conducted an aeronautical study that reviewed the requirement for the Instrument Landing System (ILS) at the Sarnia (Chris Hadfield) ON airport.

The study recommended the decommissioning of the ILS and the revocation of the associated instrument approach procedures.

**This change will take effect September 13, 2018 at 0901 Coordinated Universal Time (UTC).** The appropriate aeronautical publications will be amended.
