

Remote Communications Outlet (RCO) transfers from Edmonton to Winnipeg Flight Information Centre (FIC)

The following Edmonton FIC Flight Information Services Enroute (FISE) RCOs will be transferred to the Winnipeg FIC. Pilots requiring FISE via these RCOs should now use the call sign "WINNIPEG RADIO".

Buffalo Narrows
Key Lake
La Ronge
North Battleford
Prince Albert
Regina
Saskatoon
Stoney Rapids
Swift Current
Wollaston Lake
Yorkton

This change will take effect April 8, 2010 at 0901 Coordinated Universal Time (UTC). The appropriate aeronautical publications will be amended.

The FISE RCO system is under revision with numerous changes occurring over the next several years. Pilots should monitor NOTICES and aeronautical publications for specific RCO changes. Information on the RCO Redesign project including up to date maps of RCO sites and their frequencies is available on the NAV CANADA web site navcanada.ca under **Products and Services / ANS Programs / RCO Redesign** or Google "**NAV CANADA RCO**".
