

**Moose Mountain, Saskatchewan  
Flight Information Services En Route (FISE)**

NAV CANADA, the country's provider of civil air navigation services, has evaluated the provision of Flight Information Service En Route (FISE) using Remote Communication Outlets (RCO). As a result of this evaluation NAV CANADA has embarked upon a multi-year redesign of the RCO system.

As part of the redesign, the Moose Mountain Dial-up RCO (DRCO) will be decommissioned.

**This change will take effect April 8, 2010 at 0901 Coordinated Universal Time (UTC).** The appropriate aeronautical publications will be amended.
