

AIP CANADA (ICAO) SUPPLEMENT 3/18

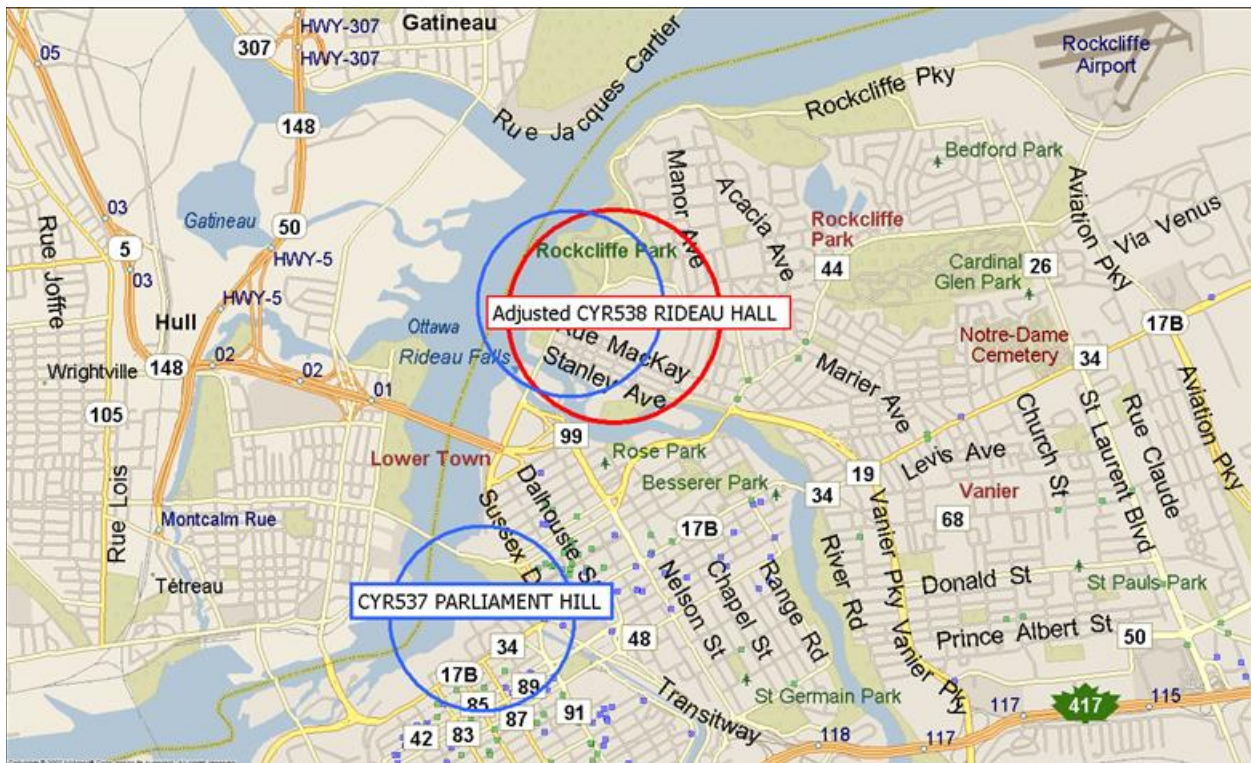

ADJUSTMENT OF THE RESTRICTED AIRSPACE CYR538 RIDEAU HALL, OTTAWA, ONTARIO

(Replaces AIC 24/17)

At the request of the Royal Canadian Mounted Police (RCMP), NAV CANADA, the country's provider of civil air navigation services, has adjusted the location and dimension of the restricted airspace CYR538 over the Governor General's Residence, Rideau Hall. The purpose of this change is to enhance the security of the Rideau Hall buildings and grounds.

The new dimension and coordinates of this restricted air space are defined as the airspace within the area bounded by a circle of 0.4 nautical mile radius centered on 45° 26' 38.90" N 075° 41' 17.80" W, from the surface to 3,000 feet above sea level (ASL). (See map sketch below.)

This change takes effect 07 December 2017, at 09:01 Coordinated Universal Time (UTC). Refer to this AIP Supplement until the amended Ottawa visual flight rules (VFR) terminal area chart (VTA) (AIR 1905) is available in May 2018.

NOT FOR NAVIGATION
