

## **NOTICE OF CONSULTATION**

### **AERONAUTICAL STUDY**

#### **Review Requirement for Telkwa and Smithers NDB Smithers, British Columbia**

NAV CANADA, the country's provider of civil air navigation services, is conducting an aeronautical study on the proposed decommissioning of the Telkwa 'TK' and Smithers 'YD' non-directional beacons (NDB) located near the Smithers, BC airport.

Further information is available in the Terms of Reference (TOR) document available on the NAV CANADA web site via the following link:

[TOR - TK and YD NDB](#)

NAV CANADA will consult with customers and stakeholders on this aeronautical study during the winter of 2016. For questions or to provide input regarding this study, please contact:
