

NOTICE OF CONSULTATION

Toronto-Buttonville, Ontario Review of Air Traffic and Aviation Weather Services

NAV CANADA, the country's provider of civil air navigation services, will be initiating an aeronautical study to review the air traffic service and aviation weather services requirement for the Toronto-Buttonville airport.

Additional information is available in the Terms of Reference document available on the NAV CANADA web site at:

[Toronto-Buttonville TOR](#)

NAV CANADA will consult with customers and stakeholders on this aeronautical study during the spring of 2017. For questions or to provide input regarding this study please contact:
