

AIP CANADA (ICAO) SUPPLEMENT 30/20

QUÉBEC REGION MONTMAGNY (CSE5) (QUÉBEC) AIRPORT CONSTRUCTION SUMMER 2020

Complete resurfacing of the runway and taxiway will take place at the Montmagny Airport (CSE5) during summer 2020. Only pilots familiar with the immediate area should use the airport. During phases where the runway will remain open with displaced thresholds, restrictions will be communicated by NOTAM. NOTAM with PPR will be published in relation to each phase of the construction work.

For authorization contact 418-248-7423 or 418 931-9317.
