

AIP CANADA (ICAO) SUPPLEMENT 76/20

QUEBEC REGION EASTMAIN RIVER, QC AIRPORT (CZEM) CONSTRUCTION WORK BEGINNING SEPTEMBER 2020 TO END NOVEMBER 2020

From beginning September 2020 to the end of November 2020, resurfacing of the gravel Runway 02/20 and Taxiway Alpha will take place. Additionally, tree cutting will take place in the runway approach and transition surfaces.

Runway 02/20 and Taxiway Alpha will remain operational during daylight hours from 1200Z to 1800Z and will be closed during evening hours from 1801Z to 1159Z. A PPR of 2 hrs is necessary for MEDEVAC. See applicable NOTAM prior to flight operations.
