CONCLUSION OF ASSESSMENT

Saskatoon, Saskatchewan - Airspace Requirements

Pursuant to Section 15 of the Civil Air Navigation Services Commercialization Act, S.C. 1996, c. 20 (the ANS Act), the Notice of Proposal period, regarding NAV CANADA's amendment of civil air navigation services in the vicinity of Saskatoon, Saskatchewan, has concluded.

NAV CANADA has examined the representations received from stakeholders and other participants regarding the proposed amendment. As a result, NAV CANADA will now engage Transport Canada for regulatory review on the following amendments to civil air navigation services:

- Increase the dimensions of the Saskatoon CZ to 7 NM with a cut out to exclude the Richter Field Aerodrome,
- Convert the Saskatoon CZ from Class D to Class C.
