

NOTICE OF CHANGE

AVIATION WEATHER SERVICES NEW AERODROME FORECAST – OSHAWA, ONTARIO

NAV CANADA, the country's provider of civil air navigation services conducted an aeronautical study that will result in the closure the Toronto / Buttonville Contract Weather Office (CWO). To mitigate the associated loss of the 24-hour aerodrome forecast (TAF) and maintain support of aircraft operations, a 24-hour TAF will be established for the Toronto / Oshawa Executive airport as follows:

Oshawa (CYOO) TAF H24, issue times: 02, 08, 14 & 20Z

The Oshawa TAF will be effective 03 January 2019 Coordinated Universal Time (UTC). The appropriate aeronautical publications will be amended.
