

# AIP CANADA SUPPLEMENT 37/22

## CONSTRUCTION ACTIVITY AT THUNDER BAY INTERNATIONAL AIRPORT, ONTARIO (CYQT) MAY 2022 TO OCTOBER 2022

### Introduction

From mid-May 2022 to mid-October 2022, major airfield construction work will take place on Runway 07/25, Runway 12/30, Taxiway Bravo, Taxiway Charlie, and Taxiway Golf at the Thunder Bay International Airport, Ontario (CYQT).

Since all activities are subject to operational requirements and construction schedules, actual dates and times of construction activities, as well as available instrument approach minima and departure procedures, will be promulgated through briefing documents and NOTAM.

Construction will be divided into multiple work zones as indicated below.
