

AIP CANADA SUPPLEMENT 42/22

AERODROME TRAFFIC FREQUENCY AT LA TUQUE, QC (CYLQ)

As of 14 July 2022, the aerodrome traffic frequency (ATF) at La Tuque, QC (CYLQ) aerodrome will change from 122.8 MHz to 122.325 MHz.

Consequently, the ATFs of the nearby water aerodromes of **La Tuque, QC (CTH6)** and **Lac-à-Beauce, QC (CSS7)** will also change to **122.325 MHz**.

These changes will take effect 14 July 2022 at 0901 Universal Coordinated Time (UTC). The appropriate aeronautical publications will be amended.
