There will be numerous fireworks displays in the province of Québec in June and July 2023, particularly during the St-Jean-Baptiste holiday weekend from 23 June to 26 June and the Canada Day holiday weekend from 30 June to 3 July.

The following tables list selected fireworks activity, by date and geographic coordinates, ordered east-to-west. The firework coordinates, radius, height above ground level (AGL), height above mean sea level (AMSL), location relative to nearest aerodrome, and Universal Coordinated Time (UTC) start- and end-times are provided.

**Caution:** All dates and times are provided in **UTC**. We remind all users that the four-hour difference between Eastern Daylight Time (EDT) and UTC may cause activities to occur on different local and UTC days.

**For example:**

<b>Date and Local Time:</b>	Friday, 23 June 9:00 p.m. – 10:00 p.m.
<b>Equivalent Date and UTC Time:</b>	Saturday, 24 June 0100Z – 0200Z
