

## AIP CANADA SUPPLEMENT 68/23

### INUVIK (MIKE ZUBKO), NT (CYEV) PRECISION APPROACH PATH INDICATOR (PAPI) RELOCATION

On 05 October 2023, the location of the precision approach path indicator (PAPI) lighting systems for both Rwy 06 and 24 was relocated. The Rwy 06 PAPI will be moved to the north side of Rwy 06/24, abeam its previous location. The Rwy 24 PAPI will be moved to a location east of its previous position.

The appropriate aeronautical publications will be amended for 21 March 2024.
